Everything desi. One place.

Whether you're looking for it or you're the one providing it — DesiZoom is where the desi community finds each other. Order dinner tonight, book a priest for the pooja, hire the caterer, buy garba tickets.

And if you run the restaurant, the catering, the mehndi studio — this is where those families find you, order from you, and pay you directly. One platform, both sides of the counter.

FOR FAMILIES

- › Order pickup from desi restaurants — no delivery-app fees, no marked-up prices
- › Local deals, sweets and catering for every festival
- › Book priests, caterers, mehndi artists and photographers for any occasion
- › Temple events, garba nights and which desi films are in theatres

FOR BUSINESSES

- › Keep 94% of every order — 6%, not the ~30% the delivery apps take
- › Orders ring on your phone. Tap once to accept, once when ready
- › Money goes straight to your bank — no monthly fee, no tablet, no contract
- › Send us a photo of your menu and we'll set the whole thing up, free
